Do You Believe In A Fractal Universe? : philosophy Why sure OP, I believe in a fractal universe! Spoiler: the above statement is intended to show the worthlessness of statements of belief along with questions about them. Belief is trivial and useless; the only thing that matters is what you can demonstrate. reference request - What would a fractal universe tell us ... The apparent increase of overall, combined complexity, together with the observed proliferation of fractal structures, would suggest that the Universe has an overall fractal structure. That would allow a timescale based on fractal dimension.
